

20-06 norman foster

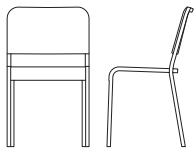

Emeco's collaboration with Norman Foster resulted in the "20-06" chair. Foster envisioned a "neutral" chair - visually and physically lightweight. But the 20-06 is also super strong-tested to 445Kg. Lord Norman Foster said "I appreciate the anonymous character of the 20-06 collection - it meshes seamlessly with our vision for interior space."

Materials

Recycled aluminum - hand brushed with optional seat and/or back pad
