## ARPA LOW TABLE

Designed by Ramón Esteve

INDOOR AND OUTDOOR LOW TABLE

As its name implies, ARPA Collection is inspired by the harp, one of the most beautiful and mesmerizing musical instruments. Unlike the meticulous work involved in manufacturing a harp, in designing this collection, rigorous paring down was applied, resolving each piece with the least possible number of elements. Designed to be timeless, ARPA aims to become an icon, not only for aesthetical reasons, but also for its functionality and comfort.

Arpa Low Table is available in a range of four colours:

- . structure goffered matt white painted with light grey calce matt ceramic top;
- . structure goffered matt black iron painted with black calce matt ceramic top;
- . structure goffered matt pewter painted with matt medium grey Pietra di Savoia ceramic top;
- . structure goffered matt corten painted with corten ceramic top (X010).

### STRUCTURE

Loadbearing structure in stainless steel, 2 x 2 cm section, epoxy powder coated using specific treatment for outdoor use. Top made of fine porcelain stoneware laminate, matt variations in light grey calce or black calce. Bush hammered medium grey pietra di Savoia, and natural satin-finished corten.

### OUTDOOR USE

All the variants available, are perfect in both indoor and outdoor environments.

### OUTDOOR COVERING TARPAULIN

Protective tarpaulin specifically for outdoor products, waterproof, made of 100% polyester, outside with acrylic coating, inside with acrylic resin coating.

Its characteristics are emphasised by its fully fungicidal Teflon finish. Each tarpaulin comes with a closable slip cover, so that it can be folded and kept correctly when not in use.
