

Frame Collection Ramon Esteve

Frame comes from generating serene and timeless shapes using the frameworks as elementary geometry. The endless possibilities offered by the material using advanced technology, was the motivation to explore the limits. Are pieces of great visual lightness while still categorical and resistant. Frame meets a wide range of needs in any outdoor space thanks to its variety of pieces. The collection consists of high and low stools, benches, lounge chairs, modular sofas, tables of various sizes, chaise lounge, and also chairs and armchairs are stackable. The chaise lounge has a reclining backrest and wheels built in the framework for a better displacement.
