## FLOW SLIM

Designed by Jean Marie Massaud

Flow Slim, a chair first designed in 2014 as a natural evolution of the Flow family, brings together comfort and aesthetics.

A sinuous armchair with a contemporary flair that blends perfectly with any environment, from the home to the office to public spaces.

Like Flow Chair, Flow Slim can be personalised as to its base – with 10 different options – and shell, which can be enhanced by a classic or “XL” padding (leather or in any of the over 200 MDF Italia fabrics), for increased comfort and support due to its shape.

Originally offered in black and white, the Flow Slim Collection has now broadened its range to include a sophisticated palette of glossy and matt pastel colours, described by Jean-Marie Massaud as “natural colours of Japan”.

### SHELL

**MASS-PIGMENTED SHELL:** The shell, made from polycarbonate through injection moulding, is mass-pigmented in the matt colours white, lead grey, mud, green, avio blue and powder pink and has a standard double finish: gloss outside, and microffered inside.

**MATT PAINTED SHELL:** The injection moulded polycarbonate shell features a paint finish in the matt colours white, lead grey, mud, green, avio blue and powder pink.

### UPHOLSTERY AND PAD

The seatings can be completed with upholstery: a thermoformed padded countershell with a small pad made from quilted polyurethane and polyester wadding.

XL padding is the natural development of the classical padding, consisting of a new quilting partially covering backrest and armrest. This gives a new look offering a great comfort.

Optionals: upholstered PAD.

### BASES

#### FLOW SLIM BASES

Only for black or white mass-pigmented shell

4-legged base, sled base, VN 4-legged steel base, LEM 4-legged base, fixed 5 point-star base, height-adjustable 5-point-star base on castors.

#### FLOW SLIM COLOR BASES

For black, white and colored shells

With central leg, VN 4-legged oak base, 4-legged oak base, 4-legged cross and cross base.

The bases are supplied in the same colour of the shell.
