A jute sack becomes an easy chair

This innovative easychair is available in two different cotton fabrics, canvas and velvet, and in five colour choices, with reinforced seams in contrasting colours and a malleable filling that adapts to the body's posture. The result is an original and comfortable seat with a 100% ergonomic design.

Materials:

Upholstery:: 100% cotton (Velvet)

Filling: Mix of polystyrene and chopped foam rubber

Velvet

70x100x70h cm / 28"x38"x28"h
