

inumbrina dirk wynants

description:

Inumbra & Inumbрина are unique because of their pure aesthetics. Easy to open and close: the parasols open and close by means of a separate handle (inumbrina) or of a cord (inumbrina). All technical parts that open and close the screen are above inumbra(in)a's UV resistant fabric and consequently are not visible when seated under the parasol.

materials:

Stainless steel

High tech polyester

Concrete

Powder coated steel base

HPL tabletop

Solid surface table top

dimensions:

inumbrina 38

inumbrina 32

inumbrina 25

product dimensions (ft inch)
