

kelly v claesson koivisto rune

The evolution of Kelly project continues, a collection of chairs and complements inspired by the concept of a colored, friendly and multiform design which creates an endless series of theme variations and materials explorations. Marked by a captivating rounded shape and a thin painted or chromed metallic structure, Kelly V wooden chair presents three new versions. Rich of charm and artisan prestige, the model with horizontal bicolor structure, with darker or lighter wood on the top and on the back, dyed light blue, grey and brown; the model with wood lacquered structure is in accordance with contemporary styles; the laminated version is adaptable and functional for every situation. All models are stackable: a feature that allows to save space, particularly appreciated in the contract market.
