

LOU "DINING TABLES"

CHRISTOPHE DELCOURT DESIGN

Base: sagomata interna in MDF, rivestita in multistrati impiallacciato larice spazzolato a poro aperto laccato nel colore Liquirizia oppure impiallacciato larice spazzolato a poro aperto pretinto color Tortora e piastre superiori e inferiori in metallo, verniciate nero gofrato.

Finiture piano:

- vetro stratificato, spessore mm 8+8, ottenuto accoppiando un vetro Grigio Fumé con un piano di vetro trasparente Extrachiaro;

- vetro stratificato, spessore mm 8+8, ottenuto accoppiando 2 lastre di vetro trasparente Extrachiaro, all'interno delle quali vi sono delle pellicole colorate che conferiscono il colore Ambra;

- in MDF, spessore mm 35, impiallacciato frassino a poro aperto laccato nel colore Liquirizia, oppure pretinto colore Tortora in abbinamento alla finitura della base. La parte inferiore del piano è laccata opaca in tinta con la parte superiore.

Il tavolo Ø cm 150 è disponibile unicamente con piano in marmo Calacatta, spessore mm 20, sagomato. Piedini regolabili in metallo nero opaco con scivolante protettivo in DELRIN®.

Base: contoured interior in MDF, open-pore brushed larch veneered plywood, lacquered in Licorice color or open-pore brushed larch veneer pre-finished in Dove Grey color and upper and lower plates in metal, with embossed black painted finish.

Top finishes:

- laminated glass, 8+8 mm, composed of an upper sheet of Smoked Grey glass and a lower sheet of Extra-Clear, transparent glass;

- laminated glass, 8+8 mm, composed of 2 sheets of Extra-Clear, transparent glass between which is sandwiched colored film that produces an Amber color;

- in MDF, 35 mm, in brushed ash veneer, with open-pore lacquer finish in Licorice color or pre-finished in Dove-Grey, coordinated to match the finish on the base. The underside of the top is in matt lacquer finish to match the color on the top.

The Ø 150 cm table is available only with the top in contoured, 20 mm thick Calacatta marble.

Adjustable metal feet with protective DELRIN® glides.

Struktur: Interne, geformte Struktur aus MDF, beschichtet mit Sperrholz mit Furnier aus offenporig gebürsteter, lakritzefarbig lackierter Lärche oder mit Furnier aus Taubengrau offenporig gebürsteter vorgefärbter Lärche. Obere und untere Platten aus schwarz lackiertem Metall mit eingepprägtem Muster.

Ausführungen der Tischplatten:

- Verbundglas, Dicke 8+8 mm, aus einer Scheibe Rauchglas und einer Scheibe von transparentem, extrahellem Glas;

- Verbundglas, Dicke 8+8 mm, aus 2 Scheiben von transparentem, extrahellem Glas, zwischen die farbiger Film eingefügt ist, der die Bernsteinfarbige Nuance bildet;

- aus MDF, Dicke 35 mm, furniert mit gebürsteter, offenporig Lakritzefarbig lackierter, oder taubengrau vorgefärbter Esche, abgestimmt auf das Finish des Grundgestells. Die Unterseite der Platte ist, gleichfarbig zur Oberseite matt lackiert.

Der Tisch mit Durchmesser Ø 150 cm ist ausschließlich mit formgeschnittener, 20 mm dicker Platte aus Calacatta Marmor erhältlich.

Verstellbare Füße aus matt schwarzem Metall mit Gleitschutz aus DELRIN®.
