## RANDOM BOX

Designed by Neuland Industriedesign

A bookcase with compartments in standard size, open or closed by doors, and with one drawer compartment. By flanking more units, also with Random Cabinet or Random, large-sized configurations of strong impact can be created.

### FRAMEWORK

Made of medium-density wood fibreboards, in micro goffered white lacquer. Uprights and shelves in thickness 6mm; doors in thickness 12mm. The back is made from white melamine coated board (thickness 10 mm).
