

pass hee welling

Padded dining/side chair or lounge chair with undulating compact profile, whose fluid, sleek lines and comfortable, ergonomic forms wrap themselves around the seated body. Contrast is provided by the lightness of the supporting structure, making it suitable for use in the home and office. Available in a variety of colors, finishes and base options.

materials:

Upholstered seat with fire retardent molded foam. Sled metal base in white black or matt chrome. Swivel bases with or without wheels, fixed or adjustable in black, white or sandblasted aluminum. Pedestal base with round plate in white, black or stainless steel.
