

stil patrick norguet

Extremely light and produced in colored metal, Stil are chairs and stools that are unashamedly chair and stool like. The use of a single material - metal- and the range of bright lively colors mean unlimited combinations and arrangements can be achieved. Designed for outdoor use but suitable for use inside too.
Stil is stackable up to three pieces.

materials:

	frame black		cushion anthracite fabric
	white		
	senape		
	rubino		
	blu notte		
	verde petrolio
