

robox

fabio novembre

A library, a man sized robot, a childhood memory, a new household hero, Robox embraces all these definitions and lends itself to satisfy a variety of uses. This anthropomorphic bookshelf animates the space it occupies with its bright red heart. Robox is the exact height as the designer who created it.

materials:

Painted metal with white or grey and red heart.

dimensions:

30-3/4" x 12-1/4" x 72-1/2"ht
