

bistroo dirk wynants

A romantic Paris bistro or cozy balcony is the perfect habitat for Bistroo. Instead of sitting opposite each other, you sit side by side at the Bistroo. With two seats and a table for every 45-1/2" there's bound to be space for a Bistroo on any balcony or on the pavement beside your door. In short, Bistroo is a warm welcome to come out more often and enjoy a wonderful afternoon outdoors in the sun. Bistroo is suitable for almost all balconies, terraces, rooftops, bars, restaurants and hotels.
