

blake-soft rodolfo dordoni

Here the design of the Blake armchair looks softer and cosier, as the result of use of feathers, which translated into better comfort and absolute relaxation. An enveloping, moving frame on metal rungs. A classic comfort with formal notes which suggest tis outstanding character.

materials:

metal frame with woven elastic straps let into fireproof polyurethane foam. Swivel base with return mechanism available in bright chrome-plated or matt black lacquer. The whole inner frame is covered with quilted goosedown divided into sections, which results in enhanced softness.

dimensions:

37" x 38-5/8" x 35" height, 17" seat height

ottoman: 25-5/8" x 25-5/8" x 15" height
