

case armchair rodolfo dordoni

Descendant of the Case Dining Chair is the Case Armchair. With an essence of line and refined elegance to match. Wrapped in a mantle of saddle hide, it envelops a one-piece seat to be upholstered in a fabric of your choice, offering infinite combinations and textural interaction. The seat is enhanced by rich craftsmanship and comfort offered by the goose down seat cushion.

materials:

Frame: curved multi-ply wood covered in polyurethane foam. Seat frame with elastic straps with a high rubber content and covered with saddle hide in Mud, Black, Tobacco, or Dark Brown. Frame covered entirely in saddle-hide with special handmade details.

Feet: metal feet in black-nickel finish

Fabric: completely removable fabric cover- a wide selection to choose from.
