cut pendant tom dixon

Futuristic and faceted, Cut is an exercise in optics. Its space-age mirror finish when off transforms to reveal a translucent kaleidoscopic gem when switched on. Hypnotising reflections of the luminous orb within repeat infinitely within the diamond cut, vacuum metallised interior. Produced in both chrome and smoke finishes, small and long, pendant and surface – these are the latest adventures in our endless fascination with reflectivity, luminosity and transparency. Cluster for maximum effect.
