Large mirrors can bring a beautiful touch to any room, opening up small spaces, adding depth and dimension, and drawing in and reflecting the natural light of a room. Extra Large mirrors are a collection of simplistic, beautifully made full length mirrors made with this in mind. These extra large rectangular mirrors are highly versatile and can be used vertically or horizontally, allowing you to add a sense of depth to a room and bring in more light. Standing at just over 6 feet in height, they make a perfect addition to dressing rooms where one wishes to see themselves reflected back in full length, and crystal clear.
