

## fedra leonardo rossano

Essential, modern and informal, the Fedra chair provides a new take on a Danish modernist style but with decidedly contemporary lines. A number of color and material options means Fedra can be used in a variety of settings, while an upholstered version offers added warmth.

### materials:

Steel base in White black or matt chrome with seat in upholstery, blanché oak, oak dark walnut or open pore black oak. Blanché oak or open pore black oak base with seat in upholstery, blanché oak or open pore black oak.
