Pure and bright colors, organic shapes, friendly and wholesome feelings enliven these sensible furnishing suggestions for domestic spaces and public areas, thanks to the unique blend of creativity harnessed by the Swedish designers using sheer quality and attention to detail. Five seating pieces are showcased: each with its own personality, playing on different-sized backrests and seats, suspended upon sleek metal frames, melding vintage settings and modern art inspirations. Their shapes, as well as color shades available are designed to stand alone or to conjure freely-inspired matches and compositions – whether in the home or in the world of contract.
