

maui vico magistretti

The chair is characterized by softly curving lines in its shell and is available with legs or swivel base, with or without gas height adjustment. Maui can be stacked seven high on a dolly for convenient storage. Its clean design and durability, value for price ratio, and wide range of colors make it suitable for residential as well as contract use.

Materials

Shell: smooth batch-colored polycarbonate with chrome-plated steel with optional fabric-covered nylon. Legs: chrome plated steel. Side table: laminated stratified H.P.L. Tables: laminated with two wood trim, 27mm thickness. Color options:
