

Jagger (high back/high arm) by Rodolfo Dordoni

The new soft and informal seat with three main options:

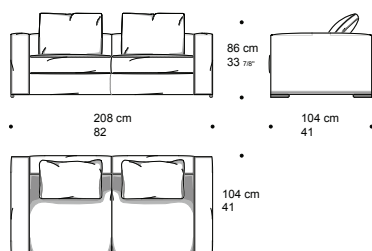

'Jagger' with high backrest and low armrest

'Jagger' with low backrest and armrest

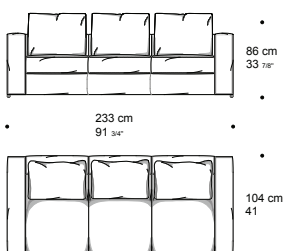

'Jagger' with high backrest and armrest.

In this model comfort is provided by an apparently quite simple construction which conceals new, sophisticated technology. To provide the product with a soft, informal aesthetic appeal, a goose down cover has been used for the armrests, thus resulting in enhanced softness and comfort.
