

pop outdoor piero lissoni

Pop outdoor version has a water-resistant, stain-resistant and UV-resistant fabric that doesn't fade. Washable and easy care, this fabric is also mold-resistant and condensation won't form from heat and humidity. Pop's "Sunbrella" outdoor upholstery is available in a rainbow of solid, bright colors. The second fabric option is an interwoven fabric - Ikon. Tested for its resistance to UV rays, it can stay outdoors in any kind of weather, has a high degree of color fastness and good resistance to water, abrasions and friction. The fabric is washable and easy to care for. Soft to the touch and comfortable, Ikon comes in five colors.
