

alieno gam fratesi

The term "Alien" comes from the Latin "alius" meaning "other" - the meaning of the word relies on the idea of contrast. It is interesting to give a friendly shape to this 'other-ness', it is an appealing thought to accept the "other" or "alien". The simplicity of the shape, is with its immediate and memorable impact belies the designers' desire to offer the user new and fantastic experiences and stories.
