t table patricia urquiola

This line of tables originated from the creativity of Patrica Urquiola combined with Kartell's capability and technological know how.
They resulted from the research into innovative surface to achive new visual and tactile effects. The surface of the T-table top alternate's fullness and space to create an elegant and precious effect which is reminiscent of embroidery.
This objects expresses very poetic, feminine and extremely elegan, born from technological research and experimentation.
It's available in five colors and three different heights.
