

turner rodolfo dordoni

Its identity carries the courage of color - chosen with taste and sophistication. The Turner tray is functional and practical. The base is saddle-hide, elegantly perforated to reveal the Minotti logo. In the same style but a different size is the lazy susan Turner. It turns on its base to serve all the diners from the center of the table. Good design; beautiful is useful too.

materials:

MDF tray glossy lacquer in Granite, Rust, or Sand. 45° chamfered edge. The lower section is lined in black saddle-hide. Swivel mechanism for the 27-1/2" tray.

dimensions:

tray: 21-5/8" diameter x 5/8" height

lazy susan: 27-1/2" diameter x 1-3/8" height
