

## wall street eugeni quitllet

An Urban-Nature chair, which combines technology and sensuality to honor an idea: that of sitting down to think, dream, speak... To be close to the sea and the city at once; It's a mix of emotions which takes you to other possible realities. A unique chair that is repeated endlessly to be shared with others. Its lightness, material and sensual and elegant shapes create a unique object for using inside or outside.

### material:

Made of gas air moulding injected polypropylene with fiber glass. Available in several colors. Item suitable for indoor and outdoor use.

### dimension:

WALL STREET Silla
