

wilson rodolfo dordoni

A family of consoles designed to be satellites around the sofa. Wilson consoles are an excellent support and make for a dynamic whole. The studied shape of the table top, its sleek legs, and choice of sophisticated finishes all bear witness to how this console, with a seemingly simple design, fully conveys the breadth of Minotti inventiveness.

materials

Tops in MDF coupled and shaped with aluminum in glossy sand, glossy granite or matte stone grey lacquer or MDF with pedulo walnut veneer with a transparent gloss polyester finish and glossy lacquer pewter under side.
