

andersen armchair

rodolfo dordoni

Armchair

materials:

Frame: one-piece sandwich wood frame.

Frame preparation: let into high-density polyurethane foam in different densities.

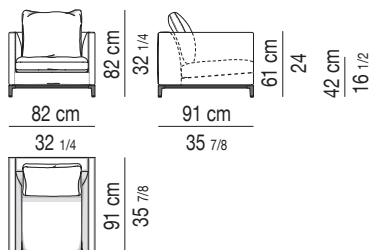

Cushions: thick seat cushion padding in goose down divided into sections, for increased cushion softness. Resilient polyurethane foam insert, covered - in the upper part - with "thermosensitive" polyurethane material. Backrest cushions fully padded with goose down divided into sections.

Armrests: internal side covered with quilted goose down divided into sections.

Base: fitted with metal frame; Pewter-coloured finish (shade devised by Minotti Studio).

Feet (designed by Minotti Studio), die-cast metal pressed, pewter-coloured; ultra-glossy, anti-touch finish.

Covers: fully removable in the fabric version by taking the external supporting base apart, loosening the knobs. Leather cover of the frame non-removable; removable backrest and seat cushion covers.
