

sushi workstation bartoli design

A complete collection with state-of-the-art technology to add new simplicity to any contemporary work area. It is possible to create a wide choice of arrangements using desks, large tables and workstations equipped for cable passage. These arrangements provide solutions for separate or multiple workstations, elegant meeting rooms, and prestigious executive desks. Slim-line table tops are available in Alucompact laminate colors. Its extra large legs are in anodized aluminum or lacquered in the same color as the table top for a single color effect. Workstations can be made complete with a opal methacrylate screen, adding privacy and transparency.

materials:

Top in white, sand grey, anthracite grey or black Alucompact® laminate. Legs in anodised aluminium or white, sand grey, anthracite grey or black lacquered aluminium. Column in aluminium white, sand grey, anthracite grey or black lacquered steel. CPU holder in opal methacrylate. Cable mesh in fire-retardant plastic. Vertebra in opal methacrylate. Screen in opal methacrylate.

dimensions:

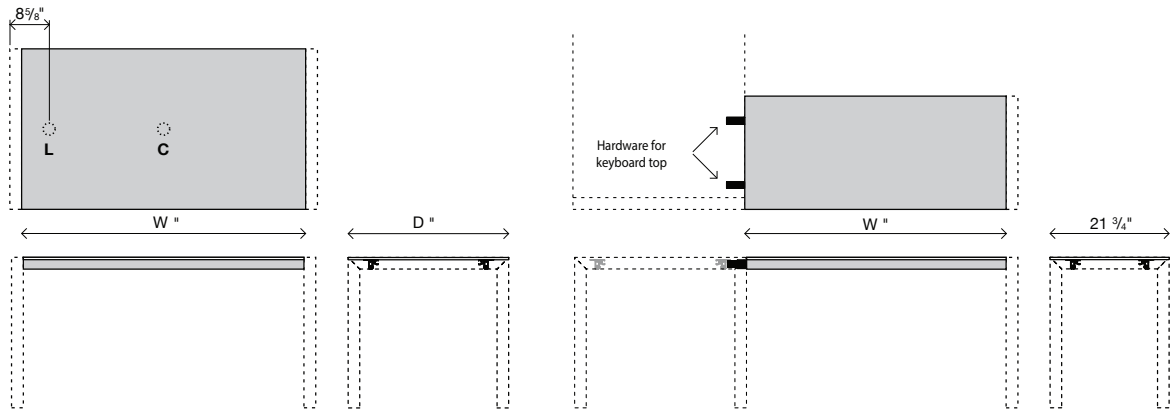

Table, meeting table
